## THE 3<sup>rd</sup> VIETNAM ATHEROSCLEROSIS SOCIETY CONGRESS

ATHEROSCLEROSIS MANAGEMENT: FROM BASIC RESEARCH TO CLINICAL PRACTICE

HO CHI MINH CITY | 23.8.2025

# INVITATION LETTER

## TO ATTEND THE 3<sup>RD</sup> VIETNAM ATHEROSCLEROSIS SCIENTIFIC CONFERENCE – VAS 2025

### Respectfully addressed to:

- ◆ Members of the Executive Committee, Board of Directors of the Vietnam Atherosclerosis Association
- ◆ Professors, experts in the field of medicine and related disciplines
- ◆ Members of the Association and Industry Partners

Following the success of the 2nd Vietnam Atherosclerosis Scientific Conference, we are pleased to announce the 3rd Vietnam Atherosclerosis Scientific Conference (VAS 2025), which will be held in Ho Chi Minh City. This is a prestigious scientific event, updating the latest advances in the diagnosis, treatment, and prevention of atherosclerosis, contributing to improving the quality of cardiovascular care in Vietnam.

We respectfully invite experts to participate and contribute to the success of the conference in various forms:

- ◆ Submit scientific abstracts to share research and clinical experience
- ◆ Chair and present at professional discussions and industry-deepening sessions
- ◆ Participate in organizing and giving feedback to help the conference develop

In particular, we call for research projects in progress or completed on atherosclerosis to be submitted for presentation at the conference. This is a valuable opportunity for research to be evaluated for its practical application. Outstanding studies will be honored by the Vietnam Society of Cardiology and the Atherosclerosis Chapter with awards and certificates of merit.

By joining VAS 2025, you will gain several benefits:

- ◆ Stay updated on the latest scientific advancements in the field of atherosclerosis
- ◆ Strengthen your connection with leading domestic and international professional networks
- ◆ Contribute to the development of cardiovascular science in Vietnam

We sincerely hope to receive your support and participation to ensure the continued success of VAS 2025 as a high-quality, impactful scientific event.

We respectfully invite and look forward to your participation!
